Dear Valued TFME Supporter,

It is with great pleasure that The Foundation for Medical Excellence (TFME) Board of Directors announces that Timothy M. Goldfarb, MHSA has accepted the position of President of The Foundation. He will begin his responsibilities on July 1, 2015.

Tim has extensive experience in the healthcare field over the past two decades. He was Chief Executive Officer of Shands HealthCare in Gainesville, Florida from 2001-2014. This past year he served as the Vice-President for Regional and Governmental Affairs for Shands HealthCare. Prior to moving to Florida in 2001, Tim was the Director of University Hospital and Health Care System for OHSU.

Tim has a long term commitment to Oregon and has maintained his home in Portland during his 13 years in Florida. Therefore, he has never lost touch with the healthcare leadership in the Portland area.

This summer Tim will be in contact with you as a supporter of TFME. If you would like to reach Tim personally you may do so by contacting him at: ttgoldfarb@gmail.com.

Again, thank you for your long term support of TFME.

Respectfully,

Stephen Jones, MD, MACP
